

John E. Sununu

John E. Sununu served as a U.S. senator from New Hampshire from 2003 to 2009. He was a member of the Committees on Banking, Commerce, Finance, and Foreign Relations, and he was appointed the congressional representative to the United Nations General Assembly. Before his election to the Senate, Senator Sununu served three terms as a member of the U.S. House of Representatives from New Hampshire's 1st District from 1997 to 2003, where he was vice chairman of the Budget Committee and a member of the Appropriations Committee. During his twelve years in Congress, he drafted and helped pass several important pieces of legislation, including the Internet Tax Freedom Act, the Survivors Benefit Act, and the New England Wilderness Act. Prior to serving in Congress, Sununu served as chief financial officer for Teletrol Systems, a manufacturer of building control systems. Sununu currently serves as a director of Boston Scientific, as well as a director of BlueRiver Acquisition Corp. He also serves as a council member of Lloyds of London, and formerly served as a director of Time Warner Cable Inc. He received his BS and MS degrees in mechanical engineering from the Massachusetts Institute of Technology and an MBA from Harvard Business School.
