

Chris Van Hollen

Following his time in the U.S. House of Representatives and Maryland General Assembly, Senator Chris Van Hollen was elected by Marylanders to serve in the United States Senate in 2016 and reelected in 2022. As Maryland's Senior Senator, he is committed to fighting every day to ensure that our state and our country live up to their full promise of equal rights, equal justice, and equal opportunity. Senator Van Hollen is a staunch defender of Americans' rights and values. He serves on the influential Senate Appropriations Committee—where he fights to deliver critical investments for Maryland communities and support our biggest national and international priorities. He also serves on the Senate Budget; Banking, Housing, and Urban Affairs; and Foreign Relations Committees, and has successfully led a number of bipartisan initiatives in these areas. In the foreign policy space, the Senator is focused on ensuring America uses its leverage to support policies that are in line with our nation's interests and values. During the second Trump Administration, Senator Van Hollen has fought to stand up for Marylanders and Americans who are under attack and pushed back on the Administration's foreign policy actions that undermine our national security and our standing around the globe. Senator Van Hollen is the Senior Senator representing the State of Maryland and a member of the Senate Appropriations and Foreign Relations Committees, among others.
