

Frederick Tsai is vice president of global customer success at Liferay, a growth-stage enterprise software company based in Los Angeles. At Liferay, Tsai leads the teams and programs that drive customer engagement, adoption, and retention. Tsai joined Liferay from Salesforce.com, where he was senior director of customer success strategy. Previously, Tsai spent nearly ten years living and working in the Asia Pacific region where he served in a number of roles at Dell, including as director of China strategy. Tsai began his career in technology investment banking at Deutsche Bank. He received his MA in international relations from the Johns Hopkins School of Advanced International Studies (SAIS) and graduated from Washington University in St. Louis. Tsai previously advised venture-backed companies AutoFi and Triblio.
