

**Katharine Zaleski**

Katharine Zaleski is the cofounder and president of PowerToFly, the global platform where women can find companies committed to creating inclusive environments. PowerToFly reaches millions of women while delivering curated diverse talent leads and reach for Fortune 50 to 1000 companies and fast-growing startups. Prior to cofounding PowerToFly, Zaleski was the founding managing editor of NowThis, the executive director of digital for the *Washington Post*; and the sixth hire and head of news for The Huffington Post. She graduated from Dartmouth College in 2003.
